Education

ABES Engineering College

Nov 2022 – Present

B.Tech in Computer Science and Engineering

- GPA: 7.5
- Relevant Coursework: Data Structures, Algorithms, Operating Systems, Cloud Computing

DDPS PUBLIC SCHOOL, CBSE

Senior Secondary Education

Aug 2019 – May 2020

- Scored 76% with a focus on Physics, Chemistry, and Mathematics.

Secondary Education

Aug 2017 – May 2018

- Scored 76.6% with excellence in Science and Mathematics.

Projects

Personalized Marketing and Targeted Advertisement A research-based project aimed at creating effective marketing strategies and personalized advertisements.

- Focused on increasing user engagement and optimizing ad targeting using data-driven methods.

LINKSPHERE A platform that connects the Service Providers and the Service Seekers

- **Technologies Used:** React JS, MongoDB, NodeJS, Express

Eazy QR This project is a QR-based menu system built using React. It allows customers to scan a QR code to view the menu of a restaurant on their mobile devices. This system provides a contactless and efficient way to browse through menu items, view descriptions, and see prices.

- **Technologies Used:** React JS, Tailwind CSS, Figma

Skills and Technologies

Programming Languages: Python, Java, JavaScript, C, C++

Development Languages and Tools: HTML, CSS, Node JS, React, Git, GitHub, VS Code, SQL

Certifications:

- Certified in HTML, CSS from Great Learning, 2023
- Certified in DSA using Python from Geeks for Geeks, 2025
- Certified in Programming Essentials in Python Course
- Appreciation Certificates of Stage Theatre

Positions of Responsibility

General Secretary, SAMVAAD (Dramatics Society)

ABES Engineering College

- Actively engaged in inter-college and intra-college competitions, showcasing expertise in logical thinking, management, dramatics, theater and monoacting.
- Secured awards for outstanding performances in events across prestigious institutions.

Member, SALAAH (The Mentor Community)

ABES Engineering College

- Provided guidance and mentorship to junior students on technical and academic projects.
- Contributed to creating a collaborative learning environment within the community.

Interests

Web Development, Video Editing, Acting, Badminton, Volleyball
